

**International DME Association
Membership Benefits Guide**

Area	Benefit	Description	Membership Categories			
			Patron \$30,000	Regular \$5,000	Regular (<10) \$2,500*	Individual \$250*
Leadership, Expertise, and Networking	Directorship	An allocated seat on the Board of Director's Executive Committee. A valuable opportunity for active participation in setting the association's priorities, guiding its efforts, and leading industry initiatives.				
	Recognition	International recognition of industry leadership. Company logo acknowledging Patron membership displayed prominently on all IDA materials (printed and online).				
	Premium Content	Premium content providing deeper insight into markets, policies, and activities. A collection of materials (reports, studies, market intelligence, etc...) provided by the IDA, member companies, or outside vendors.				
	Tutorial Webinar	A tutorial for member company employees tailored to address those DME-related topics of most interest. The benefit consists of up to four hours of instruction via webinar, structured Q&A, and discussion (in one or two sessions) with directors of the DME Institute and other senior DME experts as necessary.				
	Patron Business Center Access	Use of the Patron's Board Room space at IDA meetings. Board room space for internal and client meetings, entertaining, or simply working. Available booking time is shared with other Patron members and allocated on a first-come, first served basis.				
	Exclusive Invitations	Special opportunities for learning and expanding networks. Invitations to join other Patron members, VIPs, and industry leaders for briefings and networking functions organized from time to time in conjunction with major events.				
Voting	Voting rights	The ability to vote on matters of business coming before the association.				
Products & Services	DME Handbook and Handbook Supplement	A copy of both the DME Handbook and the DME Handbook Supplement. The books, both published by the Japan DME Association, have a value of US \$500.				
	Registration Discount	Discounted registration fee at IDA events.				
Business Development	Company information, logo and link on online portal	A summary description of member company's relevant activities displayed on the IDA's online portal. A prominent advertisement for activities or products relevant to the industry (e.g. expertise, service, product, project, etc...) on a prominent site visited by tens of thousands of people.				
Involvement	Participation	The ability to lead or participate in the association's committees, initiatives, and meetings.				
Information & Resources	Membership Directory	Contact information for all member companies or individuals.				
	Member's Resource Center Briefing Area	Access to content in the Briefing Area of the association's online portal. The Briefing Area contains news, insight, information, and some analysis of recent developments and trends of potential importance to the industry.				
	Member's Resource Center Event Area	Access to content in the Event Area of the association's online portal. The Event Area contains a comprehensive archive of presentations and materials on DME from a range of events held around the world - the most complete collection available anywhere.				
	Member's Resource Center Market & Technical Area	Access to content in the Market & Technical Area of the association's online portal. The Markets & Technical Area contains reports, studies, and presentations on a wide range of fundamental technical and market topics related to DME.				
	Member's Resource Center Tool Box	Access to content in the Tool Box Area of the association's online portal. The Tool Box contains communication and advocacy tools enabling members to share authoritative information with target constituencies.				

*Regular (<10) category is for companies with fewer than 10 employees

*Individual category is for college and university professors
